

New LTA Code of Conduct and Disciplinary Code

As a 'participant' of lawn tennis and padel tennis in Great Britain, you may have already received the following communication from the LTA.

With effect from 1 April 2022, the LTA has updated its [Disciplinary Code](#) and introduced a new [Code of Conduct](#). We would ask you please to familiarise yourself with them.

The Code of Conduct sets out both:

- General standards, which apply to all participants in tennis (in section 1); and
- Specific standards, which apply only to certain participants, including players, parents, coaches and officials.

For most people, the standards will be second nature but we hope that they will serve as a reminder to everyone and, aligned to the LTA's mission, help to make tennis more accessible, welcoming and enjoyable. We all have an important part to play in achieving this.
